

CoolSculpting® Technology Now Offered To MyLooks® Patients in Boca Raton

Innovative Body Sculpting Technique Is Now Available at Boca Raton Med Spa

FL ([PRWEB](#)) March 13, 2014 -- The newest breakthrough in non-invasive cosmetic treatments, [CoolSculpting® technology](#) is now available at MyLooks® Boca Raton to assist patients in achieving a slimmer physique and a smaller waistline.

MyLooks® Inc. introduced [CoolSculpting® to patients in St. Petersburg](#) last month with a VIP event to demonstrate this new “fat freezing” scientific advancement. MyLooks® invited select patients to the clinic for CoolSculpting® demonstrations with MyLooks® plastic surgeon Dr. John J. O’Brien, Jr. Another VIP event will take place at the MyLooks® clinic in Boca Raton with [Dr. Lawrence M. Korpeck](#) later in March. There are a limited number of CoolSculpting® sessions available, but Dr. Korpeck will be present to answer questions about and educate patients on the benefits of CoolSculpting®.

[CoolSculpting®](#) eliminates fat without surgery by freezing stubborn fat cells that live in the dermal layer of the skin. CoolSculpting® was FDA approved in 2010 to help address belly fat and love handles. Fat in these areas can be reduced by up to 22% in areas around the abdomen, hips and thighs. It is one of the least invasive body contouring procedures available to patients today with no scarring, less bruising and swelling and no recovery time required.

“Patients should consider CoolSculpting® to reduce their amount of body fat for a better contour and muscular definition,” said Dr. Lawrence M. Korpeck, Board-Certified plastic surgeon from MyLooks® Boca Raton. “This is an exciting new method to target those problem areas of the body that often do not respond well to diet or exercise. I recommend this treatment to patients who want to enhance the shape of their body.”

MyLooks® will host two CoolSculpting® events at the end of March to promote the cooling technology. An exclusive CoolSculpting® VIP Event is scheduled for Monday, March 24th, at the clinic in Boca Raton, and in St. Petersburg on Saturday, March 29th. For more information on CoolSculpting® or MyLooks® upcoming events, please visit the [MyLooks® Med Spa Page](#) or [MyLooks® Events Page](#).
