

MyLooks® Hosting Spring Open House & Injectables Evening

Meet MyLooks® surgeons, ask questions and learn about plastic surgery procedures.

Florida ([PRWEB](#)) May 06, 2014 -- MyLooks® is hosting a number of [Open House and Injectables Day](#) events at each of the MyLooks® clinics located in South Florida that will provide patients the opportunity to learn about new techniques and technologies, talk to a Board-Certified [MyLooks® physician](#), and special offers on the latest cosmetic and aesthetic treatments.

The first Open House and Injectables Day event will take place in Boca Raton on Saturday, May 10th from 10am – 2pm and feature a Q&A series with [Dr. Lawrence M. Korpeck](#). Special rates on all soft tissue fillers and aesthetic injectables will also be featured at each of the Injectables Day events. Interested parties are encouraged to attend and meet past patients who love their new look.

“This event provides the perfect opportunity to patients who may be interested in plastic surgery,” said Dr. Lawrence M. Korpeck, MyLooks® Boca Raton. “It allows prospective patients to meet with women face-to-face who have had a surgical or non-surgical procedure and see the success of their plastic surgery experience to develop a better idea or understanding of what they might want.”

Each MyLooks® Open House will feature an all-day promotion on injectables such as [Botox®](#) and [Dysport®](#), and soft tissue [fillers](#) such as [Sculptra®](#), [Perlane®](#), [Restylane®](#) and [Radiesse®](#). The latest advancement from the [Juvèderm®](#) family of dermal fillers, [Voluma™ XC](#) is now available at all MyLooks® clinic locations and is FDA-approved to add volume to the cheeks and mid-areas of the face.

“[Voluma™ XC](#) is perfect to add volume to hollowed spaces in the cheeks for more defined cheekbones and facial contours once aging has caused the area to slacken,” said Dr. Blinski. “I would recommend aesthetic facial fillers to patients who are not ready to commit to a surgical procedure. Injectable fillers provide a temporary means to test out your new look, and are a relatively painless and quick cosmetic procedure.”

The injectables promotion allows patients to book a treatment for 25% off the regular price at the clinic location of their choice. For more Open House & Injectables Day event dates please visit the MyLooks® website event page.

About MyLooks®

MyLooks® is a leading cosmetic and surgical service provider dedicated to helping women and men achieve their personal aesthetic goals. Each MyLooks® clinic provides a high-quality total experience.
